How to Set Up The Dashboard App

Getting Started · https://retailedge.com/docs/how-to-set-up-the-dashboard-app

In this video, Anthony goes over the steps to set up your store on the Dashboard app.
The Dashboard app shows you sales totals, margins, register breakdowns and department performances for the day.
The app is free for both iPhone and Android users. Must be on either the Silver or Gold level support plan for RetailEdge.
